* Items so marked are classified as payments 'through' the States.

(a) These funds include supplementation for the 1998 calendar year but not for 1999 and the outyears. The amount of supplementation is determined and approved each year by Parliament as an amendment to the *Vocational Education and Training Funding Act 1992*. Additional to the figures paid to the States listed above, is an amount of \$15 million allocated for Industry based Skill Centres and Skill Centres for School Centres. This money is paid through the States on approval of proposals submitted to the Australian National Training Authority.

(b) These distributions are indicative only and do not represent a commitment on the part of the Commonwealth. They include a notional distribution of Commonwealth Own Purpose outlays for Mental Health and Palliative Care.

(c) These distributions are indicative only and do not represent a commitment on the part of the Commonwealth. The final distribution will depend on agreement of Strategic Plans with individual States and Territories under the Australian Health Care Agreements.

(d) Natural Heritage Trust: there are no estimates available past the current year (1998-99) at this time as funding is determined on a merit selection basis.

(e) The amount shown for 1998-99 is less the amount some States chose to use as all or part of their State Fiscal Contributions.
