

**Table B3: Estimated Specific Purpose Payments to the States, repayments of advances and interest payments, 2001-02 (\$'000) (continued)**

\* Items so marked are classified as payments 'through' the States.

- (a) The 1998-2003 Australian Health Care Agreements expire on 30 June 2003. The estimates for 2003-04 are indicative only.
- (b) Distributions for States and Territories other than Victoria, Queensland and the Northern Territory are indicative only and do not represent a commitment on the part of the Commonwealth. The final distribution for States and Territories other than Victoria, Queensland and the Northern Territory will depend on agreement of Strategic Plans with those States and Territories under the Australian Health Care Agreements.
- (c) Natural Heritage Trust: There are no estimates available past the current year (2000-01) at this time as funding is determined on a merit selection basis.
- (d) The split between the current and capital component has not yet been determined.
- (e) The funds allocated to the States and Territories as per the Authority's Directions and Resource Allocations, which is agreed by the ANTA Ministerial Council. These funds include supplementation for the 1998 and 1999 calendar years but not the outyears. The amount of supplementation is determined and approved each year by Parliament as an amendment to the Vocational Education and Training Funding Act.
- (f) This table does not include state splits for FBT transitional grants for public hospitals since indicative estimates of the distribution to each State are not currently available.
- (g) The figures do not include the balance of the additional \$400m funding at this time as projects to be funded have yet to be determined.
- (h) Distribution to States and Territories are indicative only, as payments will depend on the number of applications approved in each jurisdiction.
