Dear Mr President
Dear Mr Speaker

I hereby submit Portfolio Additional Estimates Statements in support of the 2002-03 Additional Estimates for the Treasury Portfolio.

These statements have been developed, and are submitted to the Parliament, as a statement on the funding requirements being sought for the portfolio.

I present these statements by virtue of my ministerial responsibility for accountability to the Parliament and, through it, the public.

Yours sincerely

INTRODUCTION

The purpose of the Treasury Portfolio Additional Estimates Statements (PAES), like that of the Portfolio Budget Statements, is to inform Senators and Members of Parliament of the proposed allocation of resources to Government outcomes by agencies within the portfolio. They also facilitate understanding of the proposed appropriations in Appropriation Bills (Nos 3 and 4) 2002-03.

STRUCTURE OF THE PORTFOLIO ADDITIONAL ESTIMATES STATEMENTS

The PAES are presented in three parts with subsections.

Part A: User guide

Provides an introduction explaining the purpose of the PAES as well as information in relation to the styles and conventions used.

Part B: Portfolio overview

Provides an overview of the portfolio. The structure of the portfolio outcomes is depicted in a chart that outlines the structure of the outcomes to which the portfolio contributes.

Part C: Agency additional estimates statements

For each agency within the portfolio that has an impact on Additional Estimates a statement is presented under the name of the agency.

Section 1: Overview, variations and measures

This section details the link between the resources appropriated and their application to the outputs, which contribute, to the achievement of outcomes and the impact of any post Budget measures.

Section 2: Revisions to outcomes and outputs

This section details changes to planned Government outcomes and the contributing administered items and agency outputs.

Part A: User Guide

Section 3: Budgeted financial statements

This section contains the four budgeted financial statements in accrual format covering budget year, previous year and the three outyears for each agency.

Appendices 1 and 2

This section is presented for those agencies that have changes to its departmental and administered revenue which are a direct result of additional estimates, or changes to its estimates of expenses from Special Appropriations.

A glossary is provided at the end of the document.
